Transportation to The Standard Chartered Tower
TAXI
Metered taxis are readily available outside of all arrival terminals. Flagfall is Rp. 3,000 and Rp. 1,300 for each additional kilometer. An additional surcharge from the airport is Rp. 3,000, plus Rp. 8,000 for the tollroad. Taxis are the best way to get around, especially in the cities. Make sure the driver knows where you're going before getting in, and make sure he uses the meter. If he refuses, just get another taxi, they're usually not hard to find.
