LOGISTICAL INFORMATION

[Tomsk](#) is located in the Southwestern part of Siberia. It is a midsize regional center with population around 500,000. Tomsk is a well-known university city with a large student population. Tomsk is over 400 years old and is one of most desired tourist destinations in Siberia.

Tomsk is located roughly 3600 kilometers east of Moscow. There are regular flights from Moscow Domodedovo by [Siberia Airlines](#) and from Moscow Vnukovo by [Vladivostok Avia](#). We recommend you to fly directly to Domodedovo, since Moscow airports are quite far from each other. (Sheremetyevo International is about 50 km north of Domodedovo.)

You will be staying at the [Rubin hotel](#). The workshop will be held in the conference hall of the hotel. Hotel rates are from 800 rubles (~\$25 USD) to 3500 rubles (~\$125 USD). Current rate is 28.5 RUB = 1 USD. You can find rates below. As you indicated on your registration form, a reservation will be made for you. Please note: major credit cards are accepted; however if you plan on using a major credit card to pay for your reservation, the hotel needs advance notification. Please email info@methanetomarkets.org immediately if you plan on using your credit card to pay for your hotel room.

Conference organizers will pick you up at the airport September 14th and 15th and transfer you to the hotel. If you will be arriving on a different day, you can take a taxi to the hotel. It is estimated it will cost around 250-300 rubles (\$9-11 USD).
